

COVID-19 UPDATE

MARCH 17, 2020

Garfield Refining takes COVID-19 very seriously, and the health and wellbeing of our staff and customers are of paramount importance. To combat the spread of the virus, Garfield is implementing social distancing and remote-work policies.

During this time, shipments and payments may be slightly delayed due to the impact that the virus is having on local and statewide businesses. In addition, we won't be accepting in-person drop offs. However, we will make it our mission to provide the same excellent service that we have for over 128 years. If you've recently sent a shipment to our facilities, no need to worry. We'll make it our top priority to process your material and pay you as soon as we can.

We appreciate your continued business, and our hearts go out to anyone that may have been impacted by the virus. We will continue to keep everyone updated via social media and our website.

The Garfield Family
